### Tuition, Fees, and Deposits\*

The fees at Texas state colleges are fixed within statutory limitations by the Board of Regents. For Stephen F. Austin State College, the fees discussed below have been established by the Board.

All Texas resident students attending the college full-time during the regular semesters will pay a \$50.00 tuition fee, a \$30.00 student service fee, and an \$8.00 building use fee; and in addition, those taking certain laboratory courses will pay a laboratory fee for each such laboratory course and those taking certain individual instruction courses will pay \$10.00 a semester credit hour for said course. Students taking partial schedules may use the following table to determine all their fees except laboratory and individual instruction fees. All *Non Texas Resident Students* will pay an additional fee of \$150.00 for a full load plus those fees outlined for a Texas Resident Student.

During each term of the Summer Term full-time students will pay a \$25.00 tuition fee, a \$15.00 student service fee, and a \$4.00 building use fee, and, in addition, the laboratory and individual instruction fees listed for for regular semesters.

Summer students taking less than a full load of courses may use the following schedule to determine all of their fees except

\*Costs are subject to change by action of the State Legislature.

"Individuals of twenty-one (21) whose families have not resided in Texas (12) months immediately preceding the date of registration, shall be classified as 'non-resident students' regardless of whether such individuals have become the legal wards of residents of Texas or have been adopted by residents of Texas while such individuals are attending educational institutions in Texas, or within a year prior to such attendance or under circumstances indicating that such guardianship or adoption was for the purpose of obtaining status as a 'resident student'."

A married woman's legal residence is that of her husband regardless of her legal residence prior to the day of her marriage. A married man under twenty-one years of age may start establishing a change of his legal residence, if he so desires, on the day of his marriage.

Prospective non-resident students are advised to write to Office of the College Comptroller for detailed information about out-of-state fees.

#### **Late Registration Fee**

During a regular semester, students who fail to register on the days set aside for registration will pay a late registration fee of \$1.00 for the first day and 25c for each additional day thereafter with a maximum fee of \$2.00 being assessed. During either summer term, students who fail to register on the days set aside for such purposes will pay an additional fee of \$2.00.

#### **Auditing of Courses**

A student may audit a course for a fee of \$10. Under no circumstances will a student be permitted to audit a course which is conducted on an individual basis. Students may not receive credit for a course taken by audit, nor is a student eligible for advanced standing examination over a course which has been audited. Audited courses are not posted on the student's permanent record.

#### **Graduation Fee**

Before students receive degrees from the College, they must pay (at the College Bookstore) a graduation charge of \$9 for undergraduates and \$11 for graduates, which defrays the cost of the diploma and the rental of the robe. This fee must be paid each time a student applies for a degree.
