ADMISSION

The requirements for admission are the same for all Class A colleges. Students are regularly admitted on the presentation of a transcript showing graduation from an affiliated high school. This transcript should show at least fifteen affiliated and selected units. Students may also enter by examination, and persons over twenty-one years of age may be admitted with certain conditions without high school diploma. Students who are expecting to enter the college directly from high school or by transfer from other colleges should have transcripts of former work sent to the registrar at least two weeks, if possible, before their arrival.

DEGREES

The college offers four degrees: the Bachelor of Arts, the Bachelor of Science, the Bachelor of Business Administration, and the Master of Arts.

COMMITTEE ON STUDENT PLACEMENT

The College cannot guarantee a position to any of its graduates. On the other hand, it does maintain a Committee on Student Placement which is designed to help
