The Stephen F. Austin State Teachers College is located on a 200-acre tract of land adjacent to the city of Nacogdoches, forty acres of which serve as a campus and the remainder as an experimental farm. Nacogdoches is situated at the intersection of two main lines of the Southern Pacific Railroad system, the H. E. & W. T. from Shreveport to Houston, and the T. & N. O. from Dallas to Beaumont. A good system of State designated highways affords easy communication by automobile with towns of its immediate section and with the larger cities of the State.

The College has well-constructed buildings adequate for administration, offices, classroom instruction, library, laboratories, and heating. In addition, it has buildings and grounds suitable for physical and health education, for recreation, and for intramural and intercollegiate athletics.

EXPENSES

Matriculation Fee. The fees at the State Teachers Colleges are fixed by statute. A total matriculation fee for the session of nine months is \$50. Fees will be accepted only at the beginning of each semester. At the opening of school in September, the student will pay a matriculation fee of \$25, and he will pay the same amount at the beginning of the second semester the latter part of January.

Optional Fee. A fee of seven dollars and fifty cents per semester which covers text book rental, admission to all intercollegiate contests on the local field, admission to lyceum attractions, inter-collegiate debates and oratorical contests, subscription to the Pine Log, etc., may be paid by all students. The text book rental includes free use of text books except English and language classics and laboratory manuals. It does not include stationery or supplies.

Medical Service Fee. The medical service fee, which is two dollars for each semester, is to cover physical examination and ten days hospital service, in case of illness. This fee does not include physician's fees or special nursing fee.

Library and Text Book Deposit. Each student will pay at the time of matriculation a deposit of three dollars, which will serve as a trust fund for the care and return of library and text books. This fee, less deductions for library fines and text book damage, is returnable at the close of the college year or at such other time as the student withdraws from school.

Diploma Fee. On application for the degree, students will pay a diploma fee of five dollars.

Music Fee. Such students as elect to take private lessons in music under the direction of the college will pay a fee of twenty-seven dollars per semester, payable in advance.

Out of State Tuition. Students who are non-residents of the State of Texas are charged additional tuition in accordance with the state law, which provides that the tuition shall be an amount equivalent to the amount charged students from Texas by similar schools in the State of which the said non-resident shall be a resident.

The law provides that "a non-resident student is hereby defined to be a student of less than twenty-one (21) years of age, living away from his family and whose family resides in another state, or whose family has resided within this State for a period of time less than twelve (12) months prior to the date of registration, or a student of twenty-one (21) years of age or over, who resides out of State or who has resided within the State for a period of less than twelve (12) months prior to the date of registration.

Tuition charged out-of-state students is uniform for all institutions supported by the State of Texas. Prospective non-resident students are advised to write to the Registrar for information as to what the out-of-state fee will be.

Provision is also made in the law that each resident or non-resident student who registers for less than twelve (12) semester hours may be charged a sum proportionately less than that above prescribed, provided each student registered shall pay no less than seven dollars and fifty cents (\$7.50) per semester.

NO PART OF THE MATRICULATION FEES WILL BE REFUNDED AFTER CLASS WORK BEGINS, except under the following conditions:

Within the first week after date of his enrollment, a student withdrawing is entitled to a refund of eighty per cent of his tuition and fees; within the second week, sixty per cent of tuition only; within the third week, forty per cent of tuition only; within the fourth week, twenty per cent of tuition only.

No refunds of tuition and/or fees shall be made during the summer session after class work begins.
