

quality and size of this phase of the East Texas Collection, the Library is designated as an official Forest History Repository by the Forest History Foundation of St. Paul, Minnesota. In addition to forest history materials that are part of the East Texas Collection, the School of Forestry maintains a branch library of books, magazines, and a pamphlet collection considered one of the most complete in the South.

Tuition, Fees, and Deposits*

The fees at Texas state colleges are fixed within statutory limitations by the Board of Regents. For Stephen F. Austin State College, the fees discussed below have been established by the Board.

All Texas resident students attending the college full-time during the regular semesters will pay a \$50.00 tuition fee, a \$30.00 student service fee, and a \$13.00 building use fee; and in addition, those taking certain laboratory courses will pay a laboratory fee for each such laboratory course and those taking certain individual instruction courses will pay \$10.00 a semester credit hour for said course. Students taking partial schedules may use the following table to determine all their fees except laboratory and individual instruction fees. All *Non Texas Resident Students* will pay an additional fee of \$150.00 for a full load plus those fees outlined for a Texas Resident Student.

*Costs are subject to change by action of the State Legislature.
